## VOLUNTEER EXPERIENCE

### ENACTUS CLUB | ASSIUT, ASSIUT IT MEMBER | 01/2022 - 04/2023

- Participated in Enactus Club sessions to learn the Flutter framework.
- Collaborated with the team of developers on a project for the Human Resources Committee, using Flutter to create a mobile application.
- Utilized pair programming techniques to promote effective collaboration and knowledge sharing within the team.
- Conducted rigorous testing and debugging procedures to ensure the application was fully functional and met the committee's requirements.
